*Proceedings of the Madras Government, Public Works Department,
27th May 1865.*

No. 514 Read the following letter from Captain A. S. MOBERLY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Bellary, 15th May 1865, No. 12.

SIR,

1. With reference to paragraph 5 of the Order of Government, No. 1,137 of the 28th ultimo, stating that the rate of travelling allowance "for Tálug Overseers, exclusive of those employed in Cantonments, at the Presidency and Bangalore," is to be Rupees 30 per mensem, I have the honor to request that you will inform me if this order refers to all Cantonments, or only to the Presidency and Bangalore.

2 I would beg to point out that the Overseers employed in Cantonments have to keep a pony, and have also to pay rent for a house, as quarters are not allotted to them by Government, as is done in the case of other Staff Non-Commissioned Officers, and I therefore request that the travelling allowance of Rupees 30 per mensem may be granted to him.

3 To get the workshops here into good working order, and to have some person always present who could be held responsible for the work turned out, and for the materials in store, as Serjeant Mullins cannot possibly look after it, I have thought it advisable to put Tálug Overseer Mr. Bagley, who is a mechanic by trade, temporarily in charge of the workshop, and I would beg that he may be allowed the travelling allowance of a Tálug Overseer. Work for the Bellary Range would also be carried out in the workshop.

No 515.

ORDER THEREON, 27th May 1865, No. 1,420.

ESTABLISHMENT, No. 35

1 The Superintending Engineer, 3rd Division, will be informed that Tálug Overseers employed in Cantonments, as well as those attached to the Presidency, are not entitled to travelling allowance.

2. The Government are unable to approve of the arrangement reported in paragraph 3. The supervision of the operations of the small workshop at Bellary may well be entrusted to the Cantonment Overseer without prejudice to his other duties, and the Government are of opinion that a Tálug Overseer cannot be withdrawn from his Tálug without detriment to the Public Works which it is his duty to attend to.
