*Proceedings of the Madras Government, Revenue Department,
30th January 1865.*

No. 297. Read the following Proceedings of the Board of Revenue, dated 20th October 1864,
No. 6,912.

Read again letter from the Acting Collector of Bellary, dated 24th July 1863, in Board's Proceedings, 24th August 1863, No. 5,266.

Read also the following letter from A. HATHAWAY, Esq., Collector of Bellary, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Ramandroog, 23rd May 1864,
No. 74 :—

I have the honor with reference to paragraph 4 of the Board's Proceedings, No. 5,266, dated 24th August 1863, to forward herewith the Talookwar abstracts of the two lists of Inámdars, the Jodi of whose Ináms is higher than the assessed value of the land, according to the revised rates of assessment introduced in 1858-59, transmitted with letter No. 110, dated 24th July 1863, from this office ; and to inform the Board of Revenue, that the Inámdars referred to in the said paragraph have been fully made aware of their being privileged to retain their Ináms at the reduced assessment on Puttah lands, if they chose to surrender the Inám tenure only, the result of which is also tabulated in the statement.

ENCLOSURE No. 1.

ABSTRACT.—Talookwar abstract of the List No. 1 of Inámdars, the Jódi on whose Inám is higher than the assessed value of the land according to the revised rates of assessment introduced in 1858-59, forwarded to the Board of Revenue with letter No. 110, dated 24th July 1861, shewing the Ináms held by Government village servants, and those held by others.

ENCLOSURE No. 2.

ABSTRACT.—Talookwar abstract of the List No. 2 of Inámdars, the Jódi on whose Inám is higher than the assessed value of the land according to the revised rates of assessment introduced in 1858-59, forwarded to the Board of Revenue with letter No. 110, dated 24th July 1861, shewing the Ináms held by the Government village servants, and those held by others.

1. Ordered that the above papers be submitted for the consideration and orders of Government.

2. In paragraph 33 of their Proceedings dated 2nd June 1857, No. 531, Revenue Department, passing orders on the proposed revision of the Bellary assessment, the Government directed

that wherever the existing Jōdi on an Inām exceeded the new rate of assessment on it, the Ināmdar should be at liberty either to pay the full Jōdi and retain the Inām tenure, or to surrender the Inām tenure and retain the land on Puttah at the revised rates of assessment.

3. With the letters above recorded, and in accordance with the form detailed in the enclosed form, the Ināmdars were directed to pay the full Jōdi on the Inām lands, or to surrender the Inām tenure and retain the land on Puttah at the revised rates of assessment.

3. With the letters above recorded are submitted, in a most inconvenient and cumbrous form detailed Statements of the Ináms in question, abstracts of which accompany these Proceedings.
4. From the Statement submitted with the first letter, it appears that the Ináms are as follows :—

4. From the Statement submitted with the first letter, the particulars appeared to be briefly as follows :—

No.	Extent. Acres.	Revised assessment. Rupees.	Existing Jodi. Rupees.
1,279	19,343	20,757	27,025
218	5,231	3,315	8,357
1,497	24,574	24,072	35,382

1,157	...	24,574		24,072		8,357
						<u>35,332</u>

5. From the Statement submitted with the second letter it appears that out of the Ináms, which the holders originally proposed to retain as such, the following are now proposed to be relinquished as far as regards the Inám tenure, the holders retaining the lands on Puttah at the revised assessment :—

No.	Extent.	Revised
-----	---------	---------

No.	Extent. Acres.	Revised assessment. Rupees.	Existing Jodi. Rupees
129	2,271	1,759	3,200

No.	Extent, Acres.	Revised assessment	Existing Jôdi. Rupees
36	2,271	1,759	3,200

No.	Extent, Acres.	Revised assessment, Rupees.	Existing Jodi, Rupees.
36	861	912	1,455

Thus the ultimate result appears to be the following :—

No.	Extent. Acres.	<i>Inâms proposed to be retained.</i>	Assessment. Rupees.	Jôdi. Rupees.
1,186 ...	17,933		19,910	25,280
311 ...	6,641	<i>Inâms proposed to be relinquished.</i>		
1,497 ...	24,574		4,162	10,102
			24,072	35,382

1,497		4,162	
24,574		24,072	
			<u>10,102</u>
			35,382

7. It is very evident from the foregoing Statement that considerable value is attached by the holders of these Inâms to the incident of their tenures, which are of ancient origin, and the Board submit, for the consideration of Government, that it is hard to force them into the alternative of relinquishing those tenures, or of paying more for their lands than would be charged to ordinary Ryots.

8. It appears to the Board that it would be only fair to allow the holders of these Inâms to retain their lands on the existing tenures at the same rate as the ordinary Ryots.

8. It appears to the Board that it would be only just to permit these Inámdars to retain their lands on the existing tenures at the revised assessment instead of at the old excessive Jódi.

9. The Government will observe that under no circumstances can any *addition* be made to the demand on these Ináms in consideration of their enfranchisement from the condition of service, and that the Board's proposal involves no relinquishment of revenue which the Government are not already prepared to make, but only maintains for individuals long existing privileges which in no way militate with the public interests.

4. The Collector gives no abstract to show what portion of the Inams in these two Lists is Service Inam. Mr. Wedderburn is now requested to prepare a Talukwar abstract of each of the two Lists, in which he will distinguish the Inams held by Government village servants (as defined in the rules for the revision of the Village Establishments), from the Inams of other persons, and give the result for each in the same form* as in the Statements already sent. The Collector will also inform the Board whether from inquiries he may have made he is satisfied that the Inamdars in the first List are fully aware of their being privileged to retain their Inams at the reduced assessment on Puttah lands, should they please to surrender the Inam tenure only.
