*Proceedings of the Madras Government, Public Works Department,
31st May 1865.*

No. 611. Read the following letter from Colonel A. J. M. BOILEAU, R. E.,
Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Madras, 20th
May 1865, No. 283 :—

Sir,

1. I have the honor to forward a letter from the Acting Executive Engineer,
Mount Range, showing the difficulties under
which he labours in carrying on his Office
duties effectively with his present limited
Office Establishment, and requesting that his

Office may be put upon the same footing as those of the Range Officers at the Presi-
dency. This request seems to me to be perfectly just, bearing in mind the charge
which Major Prendergast holds, viz., the three Cantonments of Saint Thomas's
Mount, Poonamallee and Palaveram, besides all that portion of the Sydapet Taluq
which lies to the south of the river Cooum.

2. Major Prendergast further points out that his Taluq Overseer Serjeant
West has to visit Palaveram and Poonamallee, and solicits on his behalf that the rate
of travelling allowance accorded to Overseers other than those employed in Canton-
ments, may be given to Serjeant West.

3. The increase of salaries, &c., involved in these additions amounts to Rs. 146
per mensem, as detailed in the accompanying Tabular Statement, and I have the
honor to recommend that the sanction of Government may be given thereto.

No. 612. ORDER THEREON, 31st May 1865, No. 1,469.

ESTABLISHMENT No. 49.

The Governor in Council sees no reason
for acceding to the recommendations con-
tained in this letter.
