MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Quarter Master General, Fort Saint George, 2nd May 1865, No. 4994;
to the Secretary to Government, Military Department.

In Proceedings of Government, No. 1326, dated 20th April 1864, Government directed (paragraph 13) the Public Works Department to prepare Plans and Estimates for the new Ordnance Buildings to be erected near the Mount.

2. Plans for the Gun Carriage Manufactory were received in this Office on the 21st February last, but as they were unaccompanied by any specification of the number and description of persons for whom they were required, the Commander-in-Chief desired they might be returned, in order that information might be obtained. They were returned accordingly, and His Excellency now regrets to learn from the Superintending Engineer that they need revision, as the accommodation now stated by Colonel Campbell to be required, does not seem to agree with the memorandum given to Captain Rogers to guide him in making the Plans.

ORDER, No. 1940, 26th May 1865.

Ordered to be communicated to the Department of Public Works.

2 Before passing orders, however, on the general question connected with the removal of the Ordnance Manufactory Establishments to the Mount, the Governor in Council wishes to have before him the Plans and Estimates for the whole of the Buildings, as called for in paragraph 13 of the Order of Government, No. 1326, dated 20th April 1864.
