*Proceedings of the Madras Government, Public Works Department,
1st June 1865.*

No. 26. Read the following Endorsement of the Superintending Engineer, 5th Division, dated Bangalore, 25th May 1865, No. 270 :—

From Lieutenant J. PENNYCUICK, R. E., Assistant Engineer, to the Executive Engineer, dated Bangalore, 19th May 1865.

SIR,

1. I have the honor to request that you will be so good as to forward the enclosed Bill to the Superintending Engineer, with a request that he will transmit it to the Controller for audit, and if necessary, for submission to Government.

2. I am aware that the fixed travelling allowance granted to Executive Officers is supposed to cover the cost of all moves from one station to another, but it must be remembered that I have been moved from the Presidency, where only conveyance allowance (which is considerably less than the travelling allowance even of an Assistant Engineer in an up-country range) is drawn, to this station, where no allowance of the kind at all is granted.

3. I trust also that the Government (should the matter be referred to them) will take into consideration the fact, that I have been moved three times between the Presidency and Bangalore within less than a year.
