to April 1865 over estimates and allot-
ments of the current year, and the
sources from which they are to be met. } (Here enter 20th May 1865.)

No. 35. From Lieutenant-Colonel G. V. WINSCOM, R. E., Superintending
Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Masulipatam, 22nd May
1865, No. 20.

SIR,

* A. I have the honor to forward herewith
a Memorandum* showing the excess ex-
penditure over the sanctioned allotments of certain works during the past official year,
and another† showing the savings effected

† B. out of allotments of some other works in
the 2nd Division, and to solicit the sanction of Government for the requisite transfer
of funds from one head to another. The excess expenditure on the works referred
to was necessary, either for the settlement of the accounts of materials conveyed to
the site of the works, or the continuation of the emergent works now under con-
struction, which had progressed more speedily than was anticipated.

These items exceed the estimated amount by Rs 119 & 70 respectively, as well as the same = (in excess) allotments by sums specified in Column 6. The cause of excess over the estimate of the first work has been explained in the annexed report attached to the final Bill for the same and submitted to the Controller on the 22nd April 1865 and the excess over that of the 2nd work is attributable to the same. Range Officer reports, partly to the enhanced price of Channam, the distance found to be longer and the removal of a portion of the tank.
