Government of Madras.

Public works DEPARTMENT.

G.O. No. 1487	Press ~~Mis.~~
37-38	
Dated 1. 8. 1865.	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
1st June 1865.*

No. 37. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 18th May 1865, No. 14:—

Sir,

1. I have the honor to submit herewith the plan and estimate of Vengal bridge, called for in paragraph 15 of Government Order No. 1,143 of 28th April; the amount of the latter is increased to Rupees 1,000 to allow for additional backing to the arch, as shown in the plan, which I request may be returned.

2. Mr. Supervisor Wiffen is accountable for having undertaken the work on no authority whatever, save that he was informed that it would be included in my Budget List of 1864-65, from which and subsequent lists applying for money from the Reserve of 1864-65, it was struck out. The fact is that until recently many Range Officers have not clearly understood that an appropriation of funds is required before any work can be undertaken, in addition to its sanction, and inclusion in a Budget or supplemental list.

3. The plan and estimate called for in paragraph 16 were submitted with my letter No. 291 of 22nd March. That called for in paragraph 17 is herewith submitted.

No. 38. ORDER THEREON, 1st June 1865, No. 1,487.

1. With this letter the Superintending Engineer 7th Division submits, with

CIVIL WORKS, No. 5.

reference to the Orders* of Government marginally noted, plans and estimates for the following works in the Coimbatore and Malabar Districts:—

* Paragraphs 15 and 17 of G. O. No. 1,143, dated 28th April 1865.

COIMBATORE.

Constructing bridge of one arch on the Vengal road.

MALABAR.

Constructing a temporary shed for 70 extra bullocks of the Commissariat Department at Cannanore.

2. In April last Colonel Walker applied for a grant of Rupees 330 on account of the first work, and represented that its construction had been undertaken by the Range Officer without authority. The officer accountable for this irregularity is stated to be Mr. Supervisor Wiffen who, from the explanation given in the letter above recorded, appears to have ordered the commencement of the work through some misconception of the rules. This proceeding has been duly noticed by the Superintending Engineer, and the Government expect that measures have been taken to prevent a similar occurrence. With these remarks the Governor in Council sanctions the estimate of Rupees 1,000, submitted by Colonel Walker, for the construction of the bridge in question.

Temporary sheds for Bullocks at Cannanore.

3. Sanction is also granted to the estimate of Rupees 160 furnished for the second work above-mentioned.

*Proceedings of the Madras Government, Public Works Department,
1st June 1865.*

4. The Superintending Engineer has omitted to state what amount he proposes to expend on these two works during the current official year, and from what source he would recommend it to be disbursed. This omission should be at once supplied.

5. Colonel Walker will expedite the submission of the revised estimate called for in G. O. No. 1,291, dated 12th May 1865, for the 'Travellers' Bungalow at Poothanoor.

Dear Sir,
 I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the proposed publication of a new edition of the "Practical Directory" for the year 1865. I am very glad to hear that you are interested in the project, and I am sure that the publication of such a work will be of great service to the community. I have no objection to your publishing the work, and I am sure that it will be well received. I am, Sir, very respectfully,
 Yours,
 Wm. D. D.
