Proceedings of the Madras Government, Public Works Department.
2nd June 1865.

No. 45. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 24th May 1865, No. 21:—

SIR, With reference to Government Order No. 1,295, of 12th May 1865, Major Farewell and myself are both agreed as to the propriety of retaining possession of the Kandal Brick-fields, and taking care that they are not encroached on by private proprietors. Ground in the neighbourhood of Ootacamund is daily increasing in value, and there is no saying when that in question may not be turned to account for Government purposes. Meanwhile it costs nothing to maintain, and I cannot see on what grounds the Controller raises objections to our proposals regarding it.

No. 46. ORDER THEREON, 2nd June 1865, No. 1,491.

CIVIL WORKS, No. 8.

Under the circumstances reported in this letter the Government approve of the Superintending Engineer retaining possession of the Kandal Brick-field.
