*Proceedings of the Madras Government, Public Works Department,
2nd June 1865.*

No. 65. Read the following Circular from Lieutenant-Colonel C. H. DICKENS, R. A., Secretary to the Government of India, Public Works Department, (Account), to the Secretary to Government of Madras, Public Works Department, dated Fort William, 29th April 1865, No. 38 :—

SIR,

1. In continuation of Public Works Department Circular No. 2 of 1865, and with reference to the special circumstances under which funds have been provided for Military works in the Budget-Estimate for 1865-66, I am directed to inform you that, except under the authority of the Government of India, no portion of the grant passed in the Budget orders by the Government of India to the head Military, can be made applicable to any other head of service. The rules empowering Local Governments and Administrations to sanction a transfer of credits from one minor head of service to another, must be held to be suspended so far as transfers from the grant for Military works are concerned.

2. The grant for Military Works may, however, be augmented by a transfer from other heads of service; and the Local Governments may sanction a diversion of funds from a *Military* work specifically provided for in the Budget-Estimate to another work, *Military*, similarly brought forward; acting in both cases under the usual rules.
