*Proceedings of the Madras Government, Judicial Department,
30th May 1865.*

No. 215. Read the following Proceedings of Government in the Public Works Department.

Communicating letter from the Government Pleader, reporting the result of the Special Appeal preferred to the High Court against the Decree of the Civil Court of Trichinopoly in the Andapuram Anicut Suit. (Dated 25th April 1865, No. 1106.)

No. 216. ORDER THEREON, 30th May 1865, No. 773.

The Governor in Council directs that a copy of the Government Pleader's letter be furnished to the Government Vakeel at Trichinopoly, who will carefully attend to the suggestions made in paragraph 2.

2. The Government also direct that the Government Vakeel at Salem be called upon for an explanation of the remissness imputed to him by Captain Bean, in his letter, 23rd December last, recorded in the Proceedings of Government, Public Works Department, 31st December 1864, No. 3697. The Government Vakeel ought, from the very commencement of the case, to have been in confidential communication with the Collector of Salem, through whom he could easily have ascertained on what conditions the Andapuram Mirassidars got their dam raised; for, as it now appears, the raising of the dam was effected by using the stones of an old anicut, by the aid of which the Murungakolatur people had been receiving water, and to supply which to them the dam, now objected to by the Andapuram party, was newly executed. If these arrangements had been pleaded and established in the Principal Sudder Ameen's Court, quite a different turn would have been given to the progress of the Suit.
