*Proceedings of the Madras Government, Public Works Department,
5th June 1865.*

No. 111. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 23rd May 1865, No. 240 :—

SIR,

1. As it is necessary from paragraph 11 of Colonel Dickens' letter to your address, No. 306 A, dated 10th April 1865, that the mode of booking the accounts in this Office should be carried out at once

G. O. 9th May 1865, No. 1,257.
as detailed from paragraph 34 of Section 2, Chapter XX. of the revised system of accounts, I have the honor to request Government will be pleased to issue instructions to the Superintending Engineers to forward copies of all the estimates for works sanctioned for execution in this official year to this Office as soon as possible, as I find that without these documents I shall not be able to carry on the system of monthly audit now to be enforced.

2. Paragraph 29 of this Section of this Chapter has not been made specially applicable to this Presidency, so that as

See paragraph 10 of Colonel Dickens' letter. far as "high rates" are concerned the responsibility in framing the estimates will remain as before with the Superintending Engineers, but paragraph 36 of the same Section requires "a comparison to be made of the expenditure on each work with the sanctioned estimate and appropriation of the year." As this is one of the Sections made applicable to all parts of India, I require authenticated copies of all estimates to be before me to enable me to open the Journals for the several Districts.

3. One of the duties now devolving on this Office is to keep a check upon rates, &c., as noted in paragraphs 29 and 30 of Section 2, Chapter XX.; the manner in which this is to be performed, however, has been left for the Government to decide upon, and I beg to take this opportunity to solicit orders thereon.

No. 112. ORDER THEREON, 5th June 1865, No. 1,524.

ACCOUNT, No. 22.

1. With a view to the new mode of booking the accounts of the Public Works Department in the Controller's Office being carried into effect from the 1st May 1865, the Governor in Council directs that an abstract copy of all estimates, sanctioned by Government or the local authorities subsequent to that date, shall be furnished by the Superintending Engineers to the Controller.

2. The Government further direct that a copy of the half-yearly Statement of prices, prepared under paragraphs 28 to 32, Chapter V. of the Departmental Code, shall in future be punctually supplied by Superintending Engineers to the Controller of Public Works Accounts to admit of his maintaining the required check upon rates.

able to carry on the system of monthly audit
now to be enforced.

See para: 10 of
Colonel Dickens's
letter.

Para: 29 of this Section of this Chapter
has not been made specially applicable to the
Presidency so that as far as "high rates" are
concerned the responsibility in forming the
Estimates will remain as before with the Super-
intending Engineers but para: 36 of the same
Section requires "a comparison to be made of the
expenditure on each work with the same
sanctioned Estimate and appropriation of the year"
