*Proceedings of the Madras Government, Revenue Department,
6th May 1865.*

No. 106. Read the following Proceedings of the Board of Revenue, dated 24th April 1865, No. 2,074.

Read the following letter from E. G. R. FANE, Esq., Collector of Madras, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Pulicat, 23rd March 1865, No. 74 :—

1. Referring to the Order of Government, Revenue Department, dated the 20th December 1864, No. 2,289, conveyed in the Board's Proceedings No. 221 of the 14th January last, I have the honor to state, that no portion of the land referred to in the Government Order of the 20th January 1863, No. 127, was sold at public auction as directed by them in those Proceedings.

2. From the correspondence noted in the margin, which ensued subsequent to the date of the Government Order between the late Collector by Mr. Ellis, and the Board and Government, it will

be seen that the Government restored to the Mirassidars 29 and odd Kanis, and reserved the remaining lands (30 Kanis) for the Madras Water Works Project.

3. Thus no lands were saleable, and no proceeds from sales forthcoming to meet the charges of compensation payable for 5 and odd Kanis, out of the 14 of the reserved land, and hence the application to Colonel Boileau to provide the amount from the Public Works grant.

4. The sum disbursed to the owners of the land at Egmore up to date amounts to Rupees 3,234-14-0, leaving a balance of Rupees 618-8-10 yet to be disbursed.

5. The whole of this latter amount is due to the two individuals noted in the margin, who have not as yet appeared to

receive it. I have now directed the Deputy Collector of Madras to issue a

notice to the parties to appear within a given date, and failing to do so, the amount of compensation will be forfeited.

Submitted to Government with reference to the order quoted by the Collector.

No. 107. ORDER THEREON, 6th May 1865, No. 938.

Miscellaneous.

Referred to the Military Department, with reference to the Proceedings in that Department, dated 5th December 1864, No. 4,341. Under the Order of the Government of India in the Financial Department, dated 6th July 1864, recorded in the Financial Proceedings of this Government, dated 1st August 1864, No. 391, compensation for the land alluded to in Mr. Fane's letter should be paid by the Military Department.

for an Exercise ground.

ORDER, No. 2004, 30th May 1865.

Communicated to the Controller of Military Accounts, in view to funds being
provided for the payment of the compensation in question, if demanded.

2. It is not, however, clearly understood whether or not the five and odd
Kanis, adverted to in paragraph 3 of the foregoing Order, are included in the thirty
Kanis reserved for the Madras Water-works Project; if so included, the charge for
compensation should apparently fall on the Public Works Department.
