*Proceedings of the Madras Government, Public Works Department,
6th June 1865.*

No. 142. Read the following letter from Captain J. F. FISCHER, R. E.,
Controller of Public Works Accounts, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Madras, 23rd
May 1865, No. 235 :—

SIR,
In forwarding the accompanying letter from the Superintending Engineer, 1st
Division, dated 4th instant, No. 20, for the
1 Letter from the Superintending Engineer, 1st
Division, dated 4th May 1865, No. 20. orders of Government in continuation of
my letter No. 113, dated 10th instant, I
have the honor to observe that no Bills for Petty Establishments were presented to
this Office for pre-audit, and it is therefore probable that this charge is continued to
be defrayed from *Works* in the current year. It cannot appear as a separate item in
the Report of Progress, as it should be charged to the head "Establishments," and be
passed against the grant of Rupees one lac in such proportion as the Government
may be pleased to allot for each District.

From Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Captain J. F.
FISCHER, R. E., Controller of Public Works Accounts, dated Waltair, 4th May 1865, No. 20.

SIR,
One lac of Rupees having been provided in the current year's Budget for Establishments hitherto
charged to Works, I have the honor to request you to inform me whether charges for temporary
Gumashtahs, &c., employed on works from the 1st instant, are to form a separate item of credit in
the Accounts Current to be charged to the allotment referred to ; whether a fresh head (similar to
that of "Tools and Stores") is to be opened in the Progress Reports for comparison with the Petty
Establishment appropriation ; and whether the Range Officers' nominal Rolls of Petty Establish-
ments are to be forwarded to you as vouchers for the charges.

No. 143. ORDER THEREON, 6th June 1865, No. 1,540.

ACCOUNT, No. 25.

The Controller of Public Works Accounts will
be informed that the course prescribed in paragraph
3 of G. O. No. 3,530, dated 12th December 1864,
should be strictly adhered to in respect to the disposal of charges incurred on account
of Petty Extra Establishments subsequent to the 1st May 1865. A special allotment
of funds on their account will be made to each District as soon as the Returns called
for in the Orders marginally noted have
been furnished. In the meanwhile the
Controller should deal with the Bills of
Superintending Engineers for each District in the manner indicated in paragraph 2
of G. O. No. 1,392, dated 22nd May 1865.
