*Proceedings of the Madras Government, Public Works Department,
7th June 1865.*

No. 181. Read the following letter from Colonel A. J. M. BOILEAU, R. E.,
Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Madras, 30th
May 1865, No. 400 :—

Sir,

1. The excessive discharge of water caused by the breaching of the Pulli-
condah tank in the Vellore Range, North
Arcot District, on the 28th November
1864, caused a heavy scour under the
five arches of the Saint David's bridge,

which carries Trunk Road No. 1 over the Pullicondah surplus channel, whereby
the foundations became endangered, as will be seen by the accompanying section.

2. The Executive Agent of the Range has sent in an estimate of Rupees 1,600
for building front and rear retaining walls with flooring between, all of rough stone
in chunam, for which I have now the honor to solicit the sanction of Government as
also their approval to the course I have adopted of ordering the work to proceed on
emergency.

3. The requisite funds may perhaps be granted out of the Reserve Communi-
cations.

No. 182. ORDER THEREON, 7th June 1865, No. 1,560.

CIVIL WORKS, No. 37.

1. The estimate submitted with this
letter, amounting to Rupees 1,600, is sanc-
tioned for immediate execution from the
Reserve under "Communications."

2. The Superintending Engineer's proceeding reported in the latter part of
paragraph 2 is approved.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
