*Proceedings of the Madras Government, Public Works Department,
7th June 1865.*

No. 187. Read the following letter from Captain A. S. MOBERLY, R. E.,
Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Bellary, 31st
May 1865, No. 26 :—

SIR,

1. In June last my predecessor forwarded to the Superintendent of Police,
Bellary District, a plan and estimate for a
Police Hospital at Anantapur, which was
approved of by the Inspector General of
Police on the 29th July 1864, and was
transmitted by Colonel Hemery in August
last for execution.

Rupees 1,120:

1 Comparative Statement.
1 Letter.

2. This plan and estimate do not appear to have been submitted for the
sanction of Government, though a grant of Rupees 400 for the addition of a Civil
Ward to this very Hospital was solicited in Colonel Hemery's letter No. 101 of 22nd
September 1864, and sanctioned in Government Order No. 3,121 of 31st October
1864.

3. I now have the honor to submit a Comparative Statement and revised Esti-
mate with copy of a letter from Mr.
No. 18, dated 27th May 1865. J. S. Wilson, C. E., and request sanction
for the extra amount of Rupees 300. On

the left side is a copy of the original estimate for the Hospital only, and the amount
of Rupees 400 granted for the Civil Ward is put in as a lump sum, as no regular
estimate was prepared; on the right the quantities are entered according to the
sanctioned plan, the only change being for the roofing, which, as thatch is not now
procurable, is made stronger so as to bear the weight of the tiles.

4. This alteration will be of great benefit, as not so liable to take fire as a
thatched building, and I beg therefore that sanction may be granted for the amount
from the sum allotted in the Budget of 1865-66 for Police stations and huts in the
Bellary District.

No. 188. ORDER THEREON, 7th June 1865, No. 1,563.

CIVIL WORKS, No. 38.

1. Under the explanation furnished in this
letter the Governor in Council sanctions the
estimate of Rupees 1,820, submitted therewith,
for the construction of a Police Hospital and Civil Ward at Anantapur in the Bellary
District. The current year's expenditure will be met from the source proposed by
the Superintending Engineer of the 3rd Division.

2. This Order cancels the sanction recorded in G. O. No. 3,121, dated 31st
October 1864, to an estimate of Rupees 400 for the addition of a Civil Ward to the
Police Hospital at Anantapur.

3. The estimate alluded to in paragraph 1 of Captain Moberly's letter above
recorded should have been submitted for the sanction of Government.

Sir,

I have the honor to forward herewith a Comparative Statement shewing that the work of the Police Hospital now being constructed at this place, has cost more than was allowed for in the estimate by Rupees 300.

2. This excess has been caused by my not being able to obtain thatching grass and I have been therefore obliged to use tiles.

3. This involved, besides the extra cost of the tiles, a better style of roof, but it will I think, be much cheaper in the end as it will not require repairs so often and it will also be more cool and comfortable for the patients.

4. It will be seen by the Comparative Statement that in all other respects the work has been done for the amount allowed in the Estimate.

5. I may also mention, that owing to the nature of the ground, I was obliged to increase the size and depth of the foundations thus causing an additional outlay.

6. In conclusion I beg to request that the sanction for the extra amount may be given soon, as the work is now rapidly progressing and will be finished in about 3 weeks.

I have &c
