Quarters in the Taj Mahal
Palace. I know the place &
know also that a person of rank
of which I speak in the way of
alleged accounts of Rind never
was deposited in a work room.
It is worthy of consideration
I think, whether there is any
unhappy preservation
of the rubbish at the end of foot
and the foot of the M.G. L.
Lovers might be expected
to find what he purports doing
with the animals. If the
Rajawadon wants them the
Rind provide room for them
