*Proceedings of the Madras Government, Public Works Department,
7th June 1865.*

No. 197. Read the following Circular from Lieutenant-Colonel C. H. DICKENS, R. A., Secretary to the Government of India, Public Works Department, (Account), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 11th May 1865, No. 41:—

Sir,

1. With reference to Section 6, Chapter XX. of the revised system of account, promulgated with Standing Order No. 21 of 1865, I am directed to request that the Annual Appropriation and Outlay Account for 1864-65 may be prepared in accordance with the new form, No. 68, therein laid down, which, it will be observed, is considerably briefer than that which it replaces.

2. The account will be sent in the same way as the other annual accounts by the Controller to the Accountant General, a copy being supplied, if required, to the local Government. But in sending up the original account, the Controller should make it complete, by obtaining the needful information as to any important variations from the Budget programme which may have occurred, so that subsequent references may not be necessary on such points.

No. 198. ORDER THEREON, 7th June 1865, No. 1,568.

ACCOUNT, No. 32.

1. Communicated to the Controller of Public Works Accounts for information and guidance.

2. A copy of the Annual Appropriation and Outlay Account should be furnished for the information of Government.
