No. 212.

Read the following :—

No. 218.

List of Bills received from the Superintending Engineer, 2nd Division, for works executed in the District of Kistna, submitted to Government agreeably to Chapter IV, paragraph 13 of the New Code.

| Audit. No | Date of Bill.    | Description of Work.                                                                                                                   | Amount. |    |    | To what year expenditure appertaining. | Date when received. |
|-----------|------------------|----------------------------------------------------------------------------------------------------------------------------------------|---------|----|----|----------------------------------------|---------------------|
|           |                  |                                                                                                                                        | RS.     | A. | P. |                                        |                     |
| 1,440     | 14th March 1864. | Calingulah proposed to be constructed across Sandole tank surplus channel.                                                             | 65      | 0  | 0  | 1863-64.                               | 4th May 1864.       |
| 1,441     | Do.              | Do. do. across Yazah channel.                                                                                                          | 84      | 10 | 11 | Do.                                    |                     |
| 1,451     | 15th May 1864.   | Excavating a drainage channel from Manganapady swamp to drain off the sea water, and constructing a temporary shed for Salt Cutcherry. | 264     | 14 | 10 | Do.                                    |                     |
| 1,452     | Do.              | Repairing the causeway road between Fort and Petta.                                                                                    | 296     | 0  | 9  | Do.                                    |                     |
| 1,457     | 20th May 1863.   | Repairing the Duggeralla lock, calingulah, and escape.                                                                                 | 160     | 0  | 0  | 1862-63.                               |                     |

REMARKS.—These works appear to have been executed without funds having been provided for them in the years to which the bills appertain. The Superintending Engineer, 2nd Division, states that they were inadvertently omitted from the Appropriation Returns of the years in question.

MADRAS,  
22nd May 1865.

(Signed) J. F. FISCHER, Captain, R. E.,  
Controller of Public Works Accounts.

No. 213.

ORDER THEREON, 8th June 1865, No. 1,575.

ACCOUNT, No. 35.

1. The bills submitted with this List are sanctioned.

2. The Government consider that if proper care had been taken by the

Officers concerned, the works in question would have been provided with specific allotments of funds in the years in which they were carried out.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,

Secretary to Government.

To the Superintending Engineer, 2nd Division.

„ Controller of Public Works Accounts, with five Bills.
