*Proceedings of the Madras Government, Revenue Department,
30th January 1865.*

No. 323. Read the following Proceedings of the Board of Revenue, dated 11th January 1865, No. 161.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 15th December 1864, No. 253 :—

1. I have the honor to enclose a Petition from the Zemindar of Chintalapati Vantu, praying for an advance of Rupees 8,000, to enable him to celebrate the marriage of his daughters and son.
2. Should the existing rules of the Government admit of such an advance being made, I would respectfully recommend the present application for the favorable consideration of the Board.
3. The Zemindar, as the Board are aware, was kept for many years out of possession of his estate, during which time he lived in the greatest distress, and all marriages in his family, and other ceremonies had to be postponed.
4. He now offers his estate as security, and proposes to re-pay the loan in four yearly instalments.
5. I have not the least doubt that he would punctually fulfil his engagements.

ENCLOSURE No. 1.—Petition.

Submitted for the orders of Government as the case is peculiar.

Revenue Report. No. 115/65. ✓

The Zemindar has suffered seriously from the error on the part of God's Officer which led to the inclusion of his dependent talook in the sale of the Vavreddy Estate, and on that account is certainly entitled to much indulgent consideration. But, even with these as the premises for making to him the advance required for the intended marriage of his four children at the same time,

Should whether to meet his
request may not form an uncon-
venient precedent. Advances of
the kind have happened, been
made to pensioners and shipwrecked,
but I don't remember that any
such have ever been given to
the proprietors of a ship wrecked
beside and on the whole it
may be prudent to decline to
lend the remainder the money.

W.D.

I won't decline
to make the loan
