*Proceedings of the Madras Government, Public Works Department,
9th June 1865.*

No. 236. Read the following letter from Lieutenant-Colonel C. H. DICKENS,
R. A., Secretary to the Government of India, Public Works Department,
(Account,) to the Secretary to the Government of Madras, Public Works
Department, dated Simla, 20th May 1865, No. 458 A:—

Sir,

1. I am directed to acknowledge receipt of your letter No. 1,133, dated 27th April 1865, applying for a transfer of Budget credits for 1864-65, in order to admit of the grant for Minor Works Military being increased by Rupees 3,071-5-7, and in reply to inform you that it is not possible now to accord sanction to this re-appropriation, as the year for which it is required has closed.

2. But if the Government of Madras has already authorized the transfer of credits provisionally in anticipation of sanction, their proceedings are approved.

3. I am at the same time to invite attention to the letters quoted in the margin,* and to suggest that it would save trouble in references if, before applying to the Government of India for sanction to transfer of Budget credits, as in the present case, the required appropriations were made from the available grant for Minor Works until it was exhausted, when applications could be made for a lump sum augmentation to the grant to meet future requirements, such lump sum being obtained by a transfer from such of the specific appropriations for works made in the Budget estimate as can best bear reduction. The proposed reduction would of course be specified.
