*Proceedings of the Madras Government, Public Works Department,
10th June 1865.*

No. 257. Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Lakadi, 23rd May 1865, No. 69 :—

SIR,

1. In their Order dated 1st December 1863, No. 1,867, Government were pleased to sanction the construction of a permanent building at Vytry in Wynad, for use as the Sub-Magistrate's Office and Police Station House at a cost of Rupees 3,885, and directed the entry of the work in the Budget Estimate for 1864-65.

2. The work was, however, allowed to lie over during the past official year for want of funds, though the necessity for it was not questioned.

3. A wretched hut in a corner of the Kalpetta bazaar is all the accommodation the Sub-Magistrate (who is also the District Moonsiff) and the Police now have, and serious inconvenience is experienced in consequence. From the extremely unhealthy nature of the locality the Sub-Magistrate and his Subordinates are constantly obliged to be absent from sickness. More suitable accommodation for the transaction of Government business is therefore most urgently required.

4. The Superintending Engineer, 7th Division, informs me that the work adverted to is included in a list lately forwarded by him to Government, with the view of obtaining funds from the Reserve of the current year.

5. I have the honor urgently to request that the provision of the necessary funds for a building so much needed may be no longer delayed.

Transferred to the Public Works Department. It is very desirable that funds should be supplied for this work if possible.

Chief Secretary.
