*Proceedings of the Madras Government, Revenue Department,
31st January 1865.*

No. 327. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 11th January 1865, No. 5,162 :—

SIR,

1. I have the honor to forward, for the sanction of Government, an estimate amounting to Rupees 1,330, for raising the low portions of the Madras Salt Platform, to bring it to a level

with the adjoining land, prepared at the instance of the Collector of Madras, who, on the 3rd November 1864, brought to notice that in the existing condition of the Depôt an accumulation of rain water occurred in the wet season which injured the Salt heaps.

2. As the work was emergent, I authorized its commencement, and as the Estimate has now been countersigned by the Collector in token of approval, I solicit the sanction of Government to it, and also permission to appropriate the following savings to meet its cost :—

Name of work.	Estimate.	Number and date of sanction.	Saving in allotment of current year.	Already appropriated.	Balance remaining to be appropriated.	Amount now to be appropriated.	Remaining to be allotted.
