SIR,

1. In reply to paragraph 3 of G. O. No. 1,053 of 20th April last, I have the honor to report that the estimate amounting to Rupees 800 for cutting a drainage channel from Kykarum escape has never been sanctioned by Government, but the work was ordered by my predecessor to be proceeded with as a repair or maintenance work which it properly is.

Enclosure 1. *

2. The Controller of Public Works Accounts having, however, objected to its being classed under repairs, it was transferred to the head New Works, and the funds required for it were then applied for and granted in the G. O. above quoted.

3. I now do myself the honor of submitting the necessary estimate for the same, and of requesting the sanction of Government to it. Agreeably to G. O. No. 1,270 of 10th instant, the progress on this work in this year is put a stop to, the expenditure incurred on it up to 30th April last is Rupees 360-3-0, and the balance, viz., Rupees 439-13-0, was applied for in the Statement of Incomplete Works of the Godavery District submitted on the 20th instant.

No. 276.

ORDER THEREON, 12th June 1865, No. 1,605.

CIVIL WORKS, No. 51.
