No 271

36
Tinnevely Sessions Court.
29th May 1865.

From J. N. Goldie Esq.

Sessions Judge of
Tinnevely.

To The Honorable A. J. Arbuthnot
Chief Secretary to Government
Judicial Department.

Secy Madras.

1. A portion of the shed in the yard of the Jail at this station having remained in an unfinished state for nearly twelve months in consequence of the Civil Engineer of the district not being provided with funds for completing it, and the shed in its present state affording great facility for convicts effecting their escape from the Jail, I have the honor to request that the Civil Engineer at Palamcottah may be provided with funds to enable him to complete the shed at once, and that he may receive instructions from Government to complete it without further delay.

2. As the estimate for the construction of the whole of the shed was Rupees 300, I believe that the unfinished portion of the shed

3. The speedy completion of the work has become urgently necessary, in consequence of eighty convicts having been obliged to be lodged in tents within the precincts of the Jail owing to the Jail being overcrowded and the convicts having suffered in health.

W Goldie
Session Judge.
In charge of the
Palmettoah Jail.

Proceedings of the Madras Government.
Under date the 12th June 1808.

Read the following.

From the Lepion Judge of
Sincerely,

Requests that the Civil Engineer may be provided with funds to enable him to complete the shed in the Jail which is in an unfinished state affording facilities for convicts effecting their escape

See entry 24 May 1861
No 271)

The Superintend-
ing Engineer 8th Division
will be requested to
report when and by
whom the estimate
for the shed referred
to

to in the foregoing letter
was sanctioned; and
what was the actual
outlay on the work
up to the 30th April
1865. He will also
explain from what
sources the expenditures
have been met, and
why the building
has been left in an
unfinished state.
