No. 321. ORDER THEREON, 13th June 1865, No. 1,628.

ESTABLISHMENT, No. 22.

1. As the lowest grade of Subordinate on the permanent Establishment of the Department of Public Works of this Presidency is now a Tálúq Overseer, on a salary of Rupees 60 per mensem, in addition to his Military pay when he happens to be a Soldier, and as from this grade, as a rule, are selected men to fill vacancies as they occur in the higher ranks of Supervisor and Sub-Engineer, only persons of more education and of a higher class than are likely to be found in the Native Army are admissible to it.

2. The Native Army, and more especially the Sappers and Miners, may however, it is believed, supply numbers of intelligent men, who, with their Military training and habits of discipline, would be most useful to the Department, and would make excellent petty Overseers and Superintendents of sections of roads and other works; and if these men can be formed into an Unattached List, on the same terms as to service entitling to pension as those similarly employed, but on the permanent Establishment of the other Presidencies, the object contemplated by the Government of India may be attained with advantage both to the Department of Public Works and the Native Army.

3. With these remarks the subject will be referred to the Superintending Engineers, for an expression of their opinion.

From the Assistant Secretary to the Government of India, Military Department, Fort William, 13th April 1865, No. 554; to the Secretary to Government, Military Department, Fort Saint George.

I am directed to transmit to you, for the information of His Excellency the Governor in Council, copy of General Order, No. 260, dated the 14th March 1865, directing the formation in the Bengal Presidency of an Unattached List for Non-Commissioned Officers and Soldiers of the Native Army, in connection with the lower Subordinate Establishment of the Department Public Works.

Referred to the Commander-in-Chief for His Excellency's observations, with advertence to Proceedings of Government, No. 613, dated 15th February 1861.

From the Adjutant General, Fort Saint George, 12th May 1865, No. 306; to the Secretary to Government, Military Department.

With reference to letter from the Government of India, dated 13th ultimo, No. 554, referred to the Commander-in-Chief on the 3rd instant, I have the honor, by order, to state for the information of Government, that Sir Hope Grant considers that an Unattached List for men of the Native Army, similar to the one established in Bengal would be very advantageous: and His Excellency recommends its adoption in this Presidency.

2. The enclosure received with the memorandum under reply, is herewith returned as requested.

ORDER, No. 1885, 20th May 1865.

The formation of an Unattached List for Native Troops having been sanctioned in the Bengal and Bombay Presidencies, the Governor in Council concurs with the Commander-in-Chief in considering its introduction desirable in this Presidency also;—before re-publishing the G. O. G. on the subject, however, the papers will be referred to the Department Public Works for consideration and remark, with advertence to the Proceedings of Government in that Department, No. 240,* dated 5th February 1861.
