*Proceedings of the Madras Government, Public Works Department,
14th June 1865.*

No. 352. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 8th June 1865, No. 383:—

SIR,

1. I have the honor to inform you that the Acting Superintending Engineer, 6th Division, having been called upon to state why the transfer of a sum of Rupees 18,000, sanctioned in G. O. No. 847, dated 28th March last, had not been shown in the Appropriation Return of the Tanjore District for March 1865, that Officer reports, that prior to the receipt of the order sanctioning the above transfer, Government had called on his predecessor Colonel Greenaway to state if any portion of the allotments of the Tanjore District could be spared for transfer to other Districts, and that on G. O. Nos. 934, 950 and 1,143, dated 5th, 7th and 28th April 1865, respectively, this requisition Rupees 19,998-12-4 were set free from the balances of the allotments for

repairs, and in the orders of Government marginally noted, that amount was made available for transfer to other Districts.

2. Captain Oakes is of opinion that G. O. No. 847, of the 28th March last, has been superseded by the subsequent orders of Government above quoted, but as the former has not been specially cancelled, I request the orders of Government as to whether such was intended.

No. 353. ORDER THEREON, 14th June 1865, No. 1,644.

ACCOUNT, No. 64.

1. In the letter from the Superintending Engineer, 6th Division, No. 2,856, dated 1st April 1865, intimating that a sum of Rupees 19,988-12-4 could be set free from the Repair allotment of the Tanjore District for the past official year, no allusion was made to the re-distribution of funds proposed on the 11th March last, and sanctioned in Proceedings No. 847, dated 28th idem.

2. As, however, Captain Oakes now reports that Colonel Greenaway's letter of the 1st April, was intended to supersede that Officer's application of the 11th March previous, the sanction accorded in G. O. No. 847, dated 28th idem, will be considered cancelled.
