No. 161. Read the following Proceedings of the Board of Revenue, dated 10th May 1865, No. 2,385.

Read the following Proceedings of the Madras Government, dated 24th January 1865, No. 101, Revenue Department:—

ABSTRACT.—Requesting the Board to ascertain from the latest Bungalow Funds Accounts for 1864-65, what amount is likely to be saved from the sums available for the charges connected with the Establishments attached to the Travellers' Bungalows, and to report the result at an early date.

As the information required in the above orders was not ascertainable from the accounts in the Board's office, the Collectors were desired to forward a Statement of the receipts and charges at the several Travellers' Bungalows in their Districts, and a Memorandum of the expected balance on the 30th April 1865. The replies of the Collectors having been received, the following Statement has been prepared, from which it will be observed that the amount, which is likely to be at credit on the 30th April 1865, from the sums available for the charges connected with the Establishments attached to the several Travellers' Bungalows of the Madras Presidency, will be Rupees 9,436.

ORDER THEREON, 9th June 1865, No. 1,215.

Local Funds.

The G. O. under reply by the Board called for early information in view to the employment of any available surplus for repairs in the official year 1864-65.

The Board's answer reached Government too late to allow this arrangement being carried out; but as instructions have recently been issued in the Public Works Department for charging absolutely necessary expenditure for the construction and repair of Travellers' Bungalows against the Imperial allotment for Public Works, pending reply to the reference made to the Government of India on the subject, no special orders are needed on the Board's communication.
