*Proceedings of the Madras Government, Public Works Department,
15th June 1865.*

No. 376. Read the following letter from Captain A. S. MOBERLY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Bellary, 5th June 1865, No. 35 :—

SIR,

1. I have the honor to request that you will lay before Government, for consideration, the circumstances of the Lascars attached to my Office, with a view to their pay being raised, as has been done lately in the case of the Lascars attached to Range Offices. The Lascars attached to a Range Office have only to travel within the Range, whereas those attached to the Superintending Engineer's Office have sometimes to travel over the Division, and would then be absent from their families for two or three months.

2. Another reason that I would urge for favorable consideration is the great rise in prices in this District, and that Government is now granting about three Rupees per mensem extra to the Sepoys and Ordnance Lascars, and have also increased the pay of many of the Commissariat servants in consequence of the dearness of grain.

No. 377. ORDER THEREON, 15th June 1865, No. 1,655.

ESTABLISHMENT, No. 28.

The Government are unable to sanction any increase to the salaries of the Lascars on the establishments of the Superintending Engineers.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 3rd Division.
,, all other Superintending Engineers.
