*Proceedings of the Madras Government, Public Works Department,
15th June 1865.*

No. 378. Read the following letter from Lieutenant-Colonel G. V. WINSCOM, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R.E., Secretary to Government, Department Public Works, dated Masulipatam, 31st May 1865, No. 28 :—

SIR,

1. Ten and a half miles of Trunk Road No. 6, between Setanagarum and Guntoor, having been completed up to 30th April last, I have the honor to state that an annual maintenance grant is necessary during the current year as well as ensuing years to make up for wear and tear. As the traffic on this line is heavy, *vide* abstract annexed, not less than 150 Rupees a mile would, I think, be an adequate allowance for the purpose. I therefore solicit the sanction of Government for the same, or Rupees 1,575 for 10½ miles.

2. A provision has been made in the current year's Budget, page 53, for Rupees 2,400 for this road, but only Rupees 1,575 is required for this year, and the remainder (Rupees 825) has been proposed to be appropriated to new works, *vide* Statement accompanied my letter No. 27, dated 30th May 1865.

No. 379. ORDER THEREON, 15th June 1865, No. 1,656.

CIVIL WORKS, No. 65.

1. On the recommendation of the Superintending Engineer, 2nd Division, the Government sanction an annual allowance of Rupees 1,575 for the maintenance of 10½ miles of Trunk Road No. VI., between Setanagarum and Guntoor in the Kistna District.

Vide Appendix A, page 53.

2. The current year's outlay will be debited to the sum of Rupees 2,400, assigned for the road in Part III. of the Budget.
