MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letters:—
From the Superintending Engineer, 1st Division, Waltair, 19th April 1865,
No. 1875; to the Secretary to Government, Department Public Works, Madras.
Adverting to the subject of Proceedings of Government, under date 18th February 1865, I have the honor to submit,

Enclosure 1.

No. 492.

for the consideration of Government, the advisability of retaining the ground comprised within the limits of the Sapper

Cantonment as Government property.

2. While the Sappers and Miners occupied the Cantonment, Sub-Engineer, Vennema R. Br., finding that the supply of good stone in large blocks (for the crown of anicut) was failing in the Razole Quarries, obtained permission from Colonel Hill to open Quarries in the Cantonment limits.

3. These Quarries have turned out very well, fine large blocks of good stone being obtained from them. A Railway has been laid connecting them with the River wharf above the anicut, and they will, for some years, keep the anicut and delta works well supplied with good stone.

4. If the land be not retained by Government, the Public Works Department will have to purchase it—I therefore beg to recommend that the ground comprised within the Cantonment limits, as marked in the accompanying Plan, be transferred from the Military to the Public Works Department—if it be deemed advisable, the assent of the Quarter Master General's Department will be obtained before opening new Quarries.

Referred to the Military Department.

Fort Saint George,
23th April 1865.

(Signed) C. A. ORR, Colonel, R. E.,
Secy. to Govt., P. W. D.

Referred to the Commander-in-Chief, (Quarter Master General's Department.)
29th May 1865.

From the Quarter Master General, Fort Saint George, 1st June 1865, No. 5963;
to the Secretary to Government, Military Department.

Adverting to letter, No. 1875, dated 19th April 1865, from the Superintending Engineer, 1st Division, referred to the Commander-in-Chief on the 29th May, I have the honor, by order of His Excellency the Commander-in-Chief, to state that there is no reason for disturbing present arrangements.

2. At some future time the Cantonment of Dowlaishweram may again be occupied, and the fixity of the limits is therefore desirable. His Excellency would accordingly recommend that they stand as they are under this Department, and that the Public Works Department be allowed to use the Quarries as heretofore.

Order, No. 2162, 9th June 1865.

Ordered that the foregoing letter from the Quarter Master General, be communicated to Department Public Works.

2. The Governor in Council approves of the proposed arrangements regarding the Quarries at Dowlaishweram.
