PROCEEDINGS OF THE MADRAS GOVERNMENT

Read the following letter. —

From the Deputizing President Sanitary Commission, Madras, 1st June 1865, No. 78:
to the Secretary to Government, Military Department, Fort Saint George

I have the honor to solicit that, before final orders be passed on the Proceedings of the mixed Military and Medical Committee which assembled recently at Bangalore, to consider certain recommendations made by this Commission appertaining to Sanitary requirements of the Station generally, that I may have an opportunity of consulting my colleagues on the changes proposed by that Committee.

I may state that, on the requisition of His Excellency the Commander in Chief, I was present during the sitting of the Committee to offer an opinion, but not to take part in their Proceedings; and that certain changes are proposed by the Committee which, on Sanitary grounds, I think should be considered by this Commission before final orders are passed on them by Government

Order, No. 2156, 9th June 1865.
