Sir

Secy to Govt Public Works Dept. - Madras

I have the honor to submit for consideration two drawings, one showing the description of jail wall sanctioned for the Rajahmundry Central Jail - the other what I propose as an improvement. The cost will be about the same.

2 Prisoners could, without much difficulty get over the 6 feet breast wall and hide away behind it or in the towers, through the loop-holes of which they could communicate with and receive food from their friends outside.

Sir

In acknowledging your endorsement of the
20th May on Major Ryves letter of the 6th proposing an
alteration in the plan of the jail walls I have the
honor to state that the proposed change seems to me
in every respect objectionable it is well known
that

that for a good look out at night there must be a
clear horizon on a look upwards and that observations
from a height of what paper at night in an enclosed
court is impossible
