*Proceedings of the Madras Government, Revenue Department,
31st January 1865.*

No. 347. Read the following Proceedings of the Board of Revenue, dated 19th January 1865.
Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, dated Coonoor, 11th January 1865,
No. 3 :—

SIR,

1. The new Coonoor Ghaut runs through a portion of Mr. Allan's (formerly Mr. Dawson's) Coffee estate, cutting off a long strip of land on the north face, and rendering it comparatively useless to him ; it has not been planted. Mr. Allan asks to be allowed to throw up this land, and in exchange for it to take up a piece of Government waste land on the north side of his property. I have this morning inspected both pieces of land, and recommend that the exchange be sanctioned ; it will be advantageous to Government and Mr. Allan. The two pieces of land are, to the best of my judgment, about equal in extent, say 6 or 7 acres. Mr. Allan's land has some small sholah on it ; the Government land is nearly two-thirds sholah and the rest scrub. The accompanying rough sketch will enable the Board to come to a correct conclusion on the subject. The dotted lines embrace the east end of Mr. Allan's property, as traced from his survey. The Government waste land is put down from memory, and should be on a larger scale ; it is compact in shape, and lies between Mr. Allan's and Mr. Stane's Coffee Estates, a nullah, a good natural boundary, separates it from the last named estate. By sanctioning the exchange, the question as to compensation for the land taken up by the trace, will be avoided, and the interests of Government and Mr. Allan will be served. An early reply will oblige, as Mr. Allan is anxious to proceed with his planting operations, and time is now of importance in view to getting the land cleared.
