No. 472. Read the following letter from Captain A. S. MOBERLY, R. E.,
Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Bellary, 5th
June 1865, No. 36:—

SIR,

1. With reference to G. O. No. 80 of 24th February 1865, in the Military
Department, published in page 402 of the "Fort Saint George Gazette" of 24th
February 1865, in which it is stated that, "With the sanction of the Government
of India, His Excellency the Governor in Council is pleased to direct the adop-
tion in this Presidency of the rules in force in Bengal which allow Artillery rates
of pay to all Non-Commissioned Officers and Soldiers serving in the Ordnance
Department, in addition to the full Staff salary of their appointments;" I have the
honor to request the favorable consideration of Government to a similar boon of
allowing Sapper rate of pay being granted to Non-Commissioned Officers of the
Sappers and Miners when employed in the Public Works Department.

2. Most of these men originally enlisted in the Artillery branch of the service,
and drew Sapper rates of pay when employed in the Department Public Works
until the issue of G. O. G. No. 26 of 25th January 1861, which restricted Non-
Commissioned Officers and Soldiers of whatever branch of the service, employed in
the Public Works Department, to the Infantry rates of pay of their respective
grades.
