No. 534. Read the following letter from Captain R. F. OAKES, R. E., Acting Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Camp Negapatam, 12th June 1865, No. 276:—

SIR,

1. I have the honor to inform you that one J. Puthmanaba Naidoo, the son of the late Sub-Engineer Achuta Naidoo, has applied for the vacant post of Overseer in this District, he has obtained a certificate as 3rd Class Draughtsman and as 1st Class Surveyor from the Civil Engineering College, but he has not passed the necessary examination for an Overseership. He was an Apprentice in this District for two years, and

then proceeded to Madras to complete his studies at the College. While an Apprentice he was instructed by his father, accompanied him in his tours of inspection, and was made acquainted with the practical details required of an executive agent. With the practical knowledge acquired under so able an instructor as his father he is probably far better qualified to enter upon the duties of an Overseer than many of those who have obtained the requisite certificate from the Civil Engineering College, and in consideration of his late father's good service to Government for a period of upwards of thirty years, I am willing to appoint him an Overseer in the Tanjore District on the condition that he obtains the necessary certificate within a year of his appointment, and solicit the sanction of Government to my doing so.

2. A recommendation roll in the prescribed form is enclosed.
3. The Overseer will not be appointed until the services of one Moonneswami, who is employed on the survey of the canal between Negapatam and Vedarneum, under the sanction of Government, dated 18th May 1865, have been dispensed with.
