 of Capt. Engineer 6th Regt.

MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Acting Superintending Engineer, 6th Division, Camp Kadambady, 1st June 1865, No. 236; to the Secretary to Government, Public Works Dept.

I have the honor to forward, for the sanction of Government, the enclosed Estimate of Rupees 250, for improving the drainage of the ground and for filling

Enclosure 1.

up a pit in the vicinity of the Artillery Barracks at Trichinopoly. This pit is one of those for the filling up of which an Estimate of Rupees 10,000. was forwarded with Captain Bean's letter, No. 2179, dated 12th December 1864, and the one referred to as No. 2 in the Order* passed on the

*No. 253, 20th January, 1865, Military Department. above letter, in which Government declined to sanction the Estimate, and

remarked that the pits might be filled up by the Conservancy Department, with the aid of the Prisoners within a reasonable period. It appears, however, that no Prisoners are available for Cantonment purposes, their services having been pre-engaged for the Railway works, and as the work for which the enclosed Estimate provides is a great desideratum with the Military Authorities, I trust that there will be no objection to its being sanctioned from the Reserve. The Executive Engineer reports that the amount of this Estimate will quite suffice to do the work, in connection with the removal of the old

G. O., No. 75, 8th January 1864.

Parcherry already sanctioned—Rupees 1,515-8 was provided in the original Estimate for filling this pit.

Referred to the Military Department.
