*Proceedings of the Madras Government, Public Works Department,
23rd June 1865.*

No. 595. Read the following Endorsement of the Superintending Engineer, 4th Division, dated Madras, 16th June 1865, No. 531 :—
Read the following letter from Lieutenant R. R. E. BROCKMAN, R. E., Assistant Engineer, Vellore Range, North Arcot, to Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, dated Arnee, 8th June 1865, No. 26.

Sir, I have the honor to request you will be so good as to submit, for the favorable consideration of Government, the following claim made by me for deputation allowance for the period, 5th April 1865 to 7th June 1865, during which I was in charge of the Vellore Range in addition to my former one, the Polur Range, consequent on the temporary removal of Mr. Sub-Engineer Howard on sick leave.

I would base my claim upon the following considerations, bearing with regard to the undermentioned Circular Order and Government Orders :—

Circular Order No. XXVII., dated 30th January 1865, communicated in Superintending Engineer's Memorandum No. 5,618, dated 13th February 1865.

G. O. No. 1,203, dated 3rd May 1865.

G. O. No. 1,447, dated 29th May 1865.

1. It appears to me that from the above Circular Order, and under Rule 7 of the same, that the amount of deputation allowance to be passed to Officers whilst holding charge of two appointments is determined only by taking into account the Civil salaries attaching to those appointments. Now, in my present grade of Acting Assistant Engineer, I have been drawing a Staff or Civil salary of Rupees 75 per mensem, whereas Mr. Howard, for whom I have been acting, was in receipt of a Staff salary of Rupees 150. I have therefore been officiating for an Officer whose Civil salary is higher than the amount I am at present in receipt of; I would therefore respectfully submit that deputation allowance, computed under Rule 7 of the abovementioned Circular Order, be passed to me for the period for which it is claimed.

2. With reference to your letter No. 259, dated 19th May 1865, and the Government Order thereon, No. 1,447, dated 29th May 1865, I would humbly submit that the case of Mr. Maitland, in that he is acting for Mr. Assistant Engineer Leggatt, is not analogous to mine, since Mr. Maitland's Civil salary as Sub-Engineer is Rupees 400, and therefore more than the amount Mr. Leggatt draws. Were the case reversed, that is to say, were Mr. Leggatt to act for Mr. Maitland it would appear to me that the former Officer would be entitled to deputation allowance, and under the conviction that mine is a parallel case with the above, I am induced to make this present application.

1. Submitted for the favorable consideration of Government.

2. Lieutenant Brockman is a most hard working and deserving Officer.

Sir, I have the honor to request you will be so good as to submit for the favourable consideration of Government, the following claim made by me for deputation allowance for the period 5th April 1865 to 7 June 1865, during which I was in charge of the Vellore Range in addition to my former one, the Polur Range, consequent on the temporary removal of Mr. Sub Engineer Howard on sick leave.

I would base my claim upon the following considerations bearing with regard to the undermentioned Circular Order and Government Orders -

1. 2. With reference to your letter No. 259 dated 19 May 1865 and the Government Order thereon No. 1447 dated 29 May 1865 - I would humbly submit that the case of Mr. Mailland in that he is acting for Mr. Assistant Engineer Leggatt is not analogous to mine, since Mr. Mailland's civil salary as Sub Engineer is Rupees 400, and therefore more than the amount Mr. Leggatt draws. Were the case reversed, that is to say, were Mr. Leggatt to act for Mr. Mailland it would appear to me that the former officer would be entitled to Deputation Allowance, and under the conviction that mine is a parallel case
