MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Officiating President Sanitary Commission, Madras, 9th June 1865, No. 101;
to the Secretary to Government, Military Department, Fort Saint George.

With reference to Honorable Mr. Ellis' letter, No. 21, dated 5th ultimo, forwarding twenty copies of the Dry Earth Pamphlet for distribution in your Department, I have the honor to state that there is an inaccuracy in the Drawing of the Native Latrine accompanying the Pamphlet which it seems desirable to correct.

2. The earth pits are there shown square at the orifice and at the bottom—this is objectionable, as it renders the cleaning of them difficult, if not impossible.

3. In correction of this error, a revised Plan is attached showing the proper dimensions and shape of those essential parts of the building.

4. May I request that you will kindly distribute the accompanying twenty copies of the revised Plan, so that they may be attached to the Pamphlet.

ORDER, No. 2330, 21st June 1865.

Ordered that the Plans in question be distributed as requested, viz.:
