*Proceedings of the Madras Government, Public Works Department,
27th June 1865.*

No. 624. Read the following letter from Captain J. F. FISCHER, R. E.,
Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secre-
tary to Government, Department Public Works, dated Madras, 21st June
1865, No. 483 :—

SIR,

1. With reference to G. O. of the 19th instant, No. 1,694, I have the honor
to report there was no delay in this Office in giving effect to the Orders of Govern-
ment of the 7th instant, No. 1,556. I beg further to observe that until the issue of
the last named G. O., Captain Tulloch was not entitled to the allowance claimed
by him, as he had been transferred *from special* duty to Bangalore by the Gazette of
the 7th February last. I therefore again respectfully submit there was no error in
this Office in disallowing him these allowances, till these were again specially granted
to him.

2. As regards Captain Wood's appointment to take charge of Captain Tulloch's
Office, I beg to remark the G. O. under reply leads to the conclusion that an Officer
may be appointed to an office to which certain emoluments are attached without
having any claim to draw them ; under these circumstances it will be quite impos-
sible for this Office to decide what allowances are to be passed and what disallowed,
even in the case of appointments duly gazetted, and for the future I will refer all
claims of the kind for the disposal of Government.
