*Proceedings of the Madras Government, Public Works Department,
27th June 1865.*

No. 635. Read the following letter from Deputy Commissary P. CURLEY, Public Works Department, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 10th June 1865 :—

Sir,

1. With reference to the "Fort Saint George Gazette" of the 6th instant, in which my name appears as having been appointed a 3rd Class Sub-Engineer, I beg respectfully to state that on the 28th January 1857 I was gazetted a Sub-Engineer of the 2nd Class, and appointed permanently to the Presidency.

2. On the 25th July 1859 I was nominated Superintendent of Stores, and on the 12th February 1862, Superintendent of Stores and Workshops, *vide* Order of Government, No. 188. On the re-organization of the Public Works Establishment in June 1863, I was permanently posted to the Presidency as Superintendent of Stores on a Civil salary of Rupees 200 per mensem, being the pay of my rank as Sub-Engineer, 2nd Class, with the distinct understanding that I would forego my Departmental promotion; I agreed to this, and my name was omitted from the published List of the fixed Establishment of the Public Works Department. On the 14th January 1864 I was obliged from ill-health to proceed to England on Medical Certificate, and now on my return to duty, I much regret to find that my situation of Superintendent of Stores has been given to another, and that I am appointed to a grade in the Department, the salary of which is Rupees 50 less than I have drawn the last eight years.

3. I trust, therefore, I will be pardoned for respectfully soliciting that I may not be permitted to remain long in a grade lower than that held by me for a number of years, and that in the meantime the Orders of Government No. 1,649, under date the 24th June 1863, may be brought to bear on my case.

No. 636.

ORDER THEREON, 27th June 1865, No. 1,784.

ESTABLISHMENT, No. 65.

1. Prior to July 1863, one of the Sub-Engineers on the Executive Establishment of the Department was allotted for the charge of the Public Works Stores at the Presidency. The person detached for this duty was Mr.

Curley, then Sub-Engineer second class.

2. In the scheme for the re-organization of the Department, sanctioned in G. O. No. 1,599, dated 18th June 1863, no provision was made for the employment in the Store Department of a member of the Executive Establishment, but sanction was subsequently accorded to the appointment of a Superintendent of the Presidency Stores, distinct from the Executive branch, on a salary of Rupees 200 per mensem. Mr. Curley having accepted this appointment in preference to entering upon the regular duties of a Sub-Engineer, and having been clearly given to understand that in doing so he severed his connection with the Executive branch, and forfeited promotion therein, as well as all privileges to which he would otherwise have been entitled, the

Government consider that he has now, on re-entering that branch* consequent on the abolition of his post in the Store Department, no claim to the personal allowance authorized to be passed to such members of the Executive Establishment as had been appointed, on the re-organization, to situations, the salaries attached to which were lower than those previously drawn by them.

3. Mr. Curley's application for advancement to the rank of Sub-Engineer second grade, will receive every consideration on the occurrence of a vacancy.
