Proceedings of the Madras Government, Public Works Department, 29th June 1865.

No. 670. Read the following letter from Lieutenant-Colonel F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madura, 19th June 1865, No. 349.

SIR,

1. In reply to G. O. 1,616, 12th instant, I have the honor to report that an estimate for Rupees 300 was sanctioned by the Inspector General of Jails on the 2nd September 1864, and Rupees 299-14-3 expended in completing what was proposed in it from the allotment under sub-head "Jails," in Part III. of the Budget for 1864-65.

2. Subsequently, I discovered that the estimate only contemplated the repair of a portion of the building, and censured Major Paxton for the irregularity, but from my own inspection was led to believe that in the present condition of the adjoining Jail it would be advisable to carry out other alterations at the same time, which I brought to the notice of the Session Judge in my No. 2,389 of 23rd January still unanswered.

3. I concluded, therefore, that the Session Judge had dropped the subject, but have now called his attention to my letter; on receipt of a reply to which I shall be better able to lay the matter before Government.
