1. With reference to the Orders of Government as per margin, I have the honor to request that the Right Honorable the Secretary of State for India may be moved to order the supply, without delay, of the working drawings of the two Wind Engines (2 and 4-H. 2. The General Superintendent of Stores in his letter No. 733, dated 11th January 1865, represented the difficulty in setting up machinery in the absence of specified drawings; and the Right Honorable the Secretary of State, in his Despatch dated 7th April 1865, No. 12, intimated that this want would be supplied in future.
