*Proceedings of the Madras Government, Public Works Department,
1st July 1865.*

No. 7. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 23rd June 1865, No. 508 :—

SIR,

1. In forwarding the accompanying Appropriation Return of the Trichinopoly District for April 1865, I have the honor to inform you that the Acting Superintending Engineer, 6th Division, has appropriated a sum of Rupees 5,078-7-6 in excess of the allotment for repairs of agricultural works.

2. It will be seen that up to the end of March 1865, Rupees 13,381-4-7 had been appropriated in excess of the allotment for the past official year, but this excess Captain Oakes stated would be adjusted in April, by cancelling portions of allotments unexpended during the year, and which it will be observed he has in a great measure carried out by the deduction of Rupees 11,649-0-2, represented to be the unexpended balance of appropriations made prior to April 1865.

3. Notwithstanding the course adopted by the Acting Superintending Engineer, there remained on the 1st April 1865 an excess of Rupees 1,732-4-5, which added to the amount appropriated in April, viz., Rupees 3,346-3-1, gives a total excess over the allotment of Rupees 5,078-7-6.

4. The Acting Superintending Engineer has forwarded to this Office a Statement of excesses over estimates and allotments for the past year, in which a remark is entered to the effect, that the excess now brought to notice by me will be met from the balance of the allotment for emergent repairs to roads sanctioned in G. O. No. 555, of the 27th February 1865, Rupees 9,086 remaining unappropriated under this head on the 30th April 1865; but as the year 1864-65 has expired, and the excess cannot now be adjusted by a transfer of funds, I request the permission of Government to pass bills for expenditure incurred under the appropriations made in the return now submitted, for which otherwise the sanction of Government will have to be obtained from time to time as each bill is received.

No. 8. ORDER THEREON, 1st July 1865, No. 1,838.

ACCOUNT, No. 1.

The Controller of Public Works Accounts is authorized to pass the bills alluded to without a further reference to Government.
