FINANCIAL.

INDIA OFFICE ;

No. 84.

London, the 31st March 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,

1. I have considered in Council your financial letter dated the 17th January last, No. 15, forwarding Memorials from certain Civil Engineers stating that they consider the Uncovenanted Service Leave and Pension Rules published in India on the 8th June 1863, less advantageous than Rules in force at the time when they executed their Covenants, and praying they may have "the option of abiding by one set of Rules as a whole or the other."

2. Her Majesty's Government will not object to allow Civil Engineers who entered into Covenants when the old Uncovenanted Leave and Pension Rules were in force, the benefit of those Rules in regard both to Leave of Absence and Pension, and any Covenanted Engineer so situated may therefore have the option of selecting which Rules he will abide by, but having once made his selection, he is not to be permitted to avail himself of any of the advantages of the other Rules.

I have, &c.,
(Signed) C. WOOD.

Ordered that a copy of the above-mentioned Despatch be forwarded to the Public Works Department, with reference to Financial Resolution No. 336, dated 17th January 1865, and with the remark that each Civil Engineer who entered into Covenant when the old Uncovenanted Leave and Pension Rules were in force, should now be called upon to elect whether in matters of Leave and Pension he will abide by the Old or the New Rules, and that the election which may be made be communicated to the Financial Department.
