ing Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government,

the honor to state that the item of Rupees 1,980,
included in the estimate of Rupees 53,780, ap-
proved by Government in No. 1,193, dated 3rd

1 Sketch.
1 Abstract estimate.

May 1865, fully provides for supplying the Commissariat Arrack Depot with water.

2. A sketch is herewith forwarded in illustration, together with a separate estimate for
the item which has now been expunged from the large estimate for the sake of convenience.

3. This work being urgently required, I solicit sanction for putting it in hand at once.

cash payments. This amount I beg to recommend may be given either from the 80,000 Rupees
set free in G. O. No. 1,262, dated 9th May 1865, or from the Reserve under the head "Military."

will be submitted shortly.
