SIR,

1. I regret to have to report that, by an oversight, the latter part of paragraph 2 of the Order of Government No 835, of the 31st March last, has been left unattended to, and that consequently the Superintending Engineer has been without instructions as to the locality of the Madras Irrigation and Canal Company's stores in the Nellore Division. I have now written to that Officer informing him that there are stores at Somaiswaram as well as at Nellore, and I have asked him to give the necessary orders to Supervisor Appavoo Moodali. The stores at Nellore appear to have been examined.

2. As the remuneration for the examination of stores in the Nellore Division has been fixed at Rupees 100, and as those at Nellore and at Somaiswaram will have been verified by different Officers, I propose, with the approval of Government, to divide the amount in proportion to the quantity of stores at either place.
