*Proceedings of the Madras Government, Public Works Department,
6th July 1865.*

No. 139. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 29th June 1865, No. 552:—

Sir,

1. With reference to the direction in paragraph 3 of Colonel Dickens' letter that all charges incurred on account of Travellers' Bungalows should be debited to the grant for Repairs, I have the honor to request the orders of Government as to whether the Accounts and Progress Reports for the *past* year are to be corrected in order to transfer the outlay on Travellers' Bungalows out of grants for Original Works to Repairs. In such case the grants given in several* orders in the past year will also have to be transferred in the Appropriation Return for April 1835, and I request to be informed whether such a transfer can be made on the authority of Colonel Dickens' letter above referred to.

2. With reference to paragraph 2 of Colonel Dickens' letter, I have to observe that no provision is made in the Budget of the current year Part II. under "Communications" for repairs of Travellers' Bungalows, and no appropriations can therefore be made by Superintending Engineers on this account, unless they are requested to propose transfers of funds to meet such demands, when this Office can only check appropriations made so that they do not exceed the annual grant made by the Government of India.
