*Proceedings of the Madras Government, Public Works Department,
15th July 1865.*

No. 392. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 29th June 1865, No. 425 :—

SIR,

1. Referring to paragraph 5 of G. O. No. 937 of 6th April last, I have the honor to report that the work marginally noted was originally sanctioned as a new work from Local Funds, by my predecessor and Mr. Morris, the then Collector of the Godavery District; but that Mr. Fraser having objected to the work being executed from that fund, the necessary appropriation was made for it from the discretionary allowance of Rupees 1,500.

2. The work is a new one, but the discretionary allowance, which is intended for exactly this kind of work, is an Item in Part II. of the Budget, and the work is, therefore, in Budget language, a "repair."

No. 393. ORDER THEREON, 15th July 1865, No. 2,021.

ACCOUNT, No. 58.

The explanation submitted in this letter is satisfactory.
