*Proceedings of the Madras Government, Public Works Department,
17th July 1865.*

No. 400. Read the following Proceedings of the Madras Government in the Military Department, dated 11th July 1865, No. 2,560.

Read the following Proceedings of the Madras Government in the Public Works Department, dated 5th July 1865, No. 1,885.

Read the following letter from Lieutenant-Colonel E. A. FOORD, R. E., Superintending Engineer, 5th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Salem, 1st July 1865, No. 702 :—

SIR,

1. Captain Tulloch informs me that the Deputy Assistant Quarter Master General has applied for two bug boilers to be erected on emergency. One it appears has been put up at a cost of Rupees 100, but the other, which is to be of the standard pattern, cannot be made for less than 150 Rupees, exclusive of masonry, which in each instance has cost 56 Rupees. Captain Tulloch has ordered it to be got ready, as the greatest inconvenience arises from want of it.

2. The first boiler was prepared before the receipt of the Standard Plan, and it appears that the Executive Engineer was not furnished with a copy of the Order of Government No. 3,284, of the 16th November 1864, in which Superintending Engineers were informed that the plan of cot boilers was under re-consideration.

3. The cost of these works may be met from the Minor New Works, allotment of Bangalore for 1865-66.
