MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 1st July 1865, No. $\frac{138}{6356}$; to the Secretary to Government, Military Department.

Forwarded to Government, with reference to Proceedings of Government, No. 2339, dated 22nd June 1865.

From the Officer Commanding Nagpore Force, Kamptee, 19th June 1865, No. 129; to the Quarter Master General, Ootacamund.

With reference to my letter, No. 94, dated 29th April last, I have the honor to report, that I have received from the Chief Engineer of these Provinces, the following statement regarding the progress of the Military Buildings at Chindwarra and Moothoor.

2. At Chindwarra orders have been issued to complete the Lavatory and the drainage of the ground near the Barracks, in anticipation of the receipt of Estimates which have been called for. Estimates for a Prison-room and Sick Cart shed have been called for.

3. At Moothoor, the principal Barrack, it is reported, is finished. The boarding of the floor which I strongly recommended is said to be in hand, and the gravelling round the Barrack and Out-houses has been ordered. The Privy is finished, and an Estimate for a covered passage to it is called for. A Commissariat Godown has been ordered. An Estimate for a Skittle Alley is to be called for, and the erection of the Lavatory will be ordered.

4. The Chief Engineer objects to Lightning Conductors to thatched buildings, and considers that fire-places may be dispensed with for the present, as the buildings are thatched. I have replied that, in deference to the Chief Engineer's opinion, I will not press these two points.

ORDER, No. 2564, 11th July 1865.

Recorded, with reference to Proceedings of Government, No. 2339, dated 22nd June 1865.
